January 21, 2018  
Pastor Joe Beran

**Made for Community**  
**Genesis 1:26-27; 2:18-25**

INTRODUCTION: The longing of our hearts.

Community at Creation.

1. We were made in God's image, reflecting His desire for community.
2. We see that play out in the way we interact with others.

Community at Redemption.

1. Since Jesus has redeemed us, we've been called into a greater community.
2. Although our stories may be different, they're ultimately the same.

CONCLUSION: We were made for community, so let's live it out.
