September 2nd, 2018
Pastor Joe Beran

Unclean

Mark 7:14-23

There are two primary places people turn when they're wrestling with not being clean:

1. They turn to religion or the idea that I need to earn God's favor.

2. They turn to self and say I'm going to fix myself and then everything will get better.

Jesus shows us both of those are wrong and we are made clean by what he has done.
